WZSV 122H3M

Two icons showing sound power level: a speaker inside a house and a house with a speaker. The first icon is labeled "44 dB" and the second is labeled "- dB".

Legend for power consumption with three colored squares: dark blue, medium blue, and light blue. The dark blue square is labeled "12 kW", the medium blue square is labeled "12 kW", and the light blue square is labeled "12 kW".

Icon representing energy saving, showing a clock face with a dashed line and a stack of coins with an arrow pointing down.

WZSV 122H3M + Luxtronik 2.1

Energy label for heating system showing a radiator icon, an A+++ energy class arrow, a radiator icon, an A energy class arrow, and a tap icon with 'XL'.

Energy scale for heating system with a radiator icon at the top and an A+++ energy class arrow on the right. The scale consists of horizontal bars of varying lengths, colored from green (A+++), light green (A++), yellow-green (A+), yellow (A), orange (B), red-orange (C), red (D), dark red (E), and red (F), ending with a red bar (G).

Energy label for water heating system showing four features: solar panel, water tank, touch control, and boiler. Each feature is accompanied by a plus sign and a square checkbox. The touch control checkbox is marked with an 'X'.

Energy scale for water heating system with a tap icon and 'XL' at the top and an A energy class arrow on the right. The scale consists of horizontal bars of varying lengths, colored from green (A+++), light green (A++), yellow-green (A+), yellow (A), orange (B), red-orange (C), red (D), dark red (E), and red (F), ending with a red bar (G).

package (heat pumps and combination heater with heat pump) WZSV 122H3M + Luxtronik 2.1
